Proclaiming that there is hope (salvation) in Jesus Christ

Dear Friend,

July- August, 2010

To sell a Top 10 hit, video game or the latest gadget, companies sometimes announce their product release, and thousands of people spend half the night outside waiting to purchase their products. Well, LEM was out announcing and presenting the movie- the *Crucifixion of Jesus*- and releasing the greatest message of redemption in villages and towns in Liberia, West Africa. The result of the presentation of this Jesus film was one of the most interesting events in the last two or three years of the Light Evangelism Ministry.

This movie drew together hundreds of people who came for one reason—to hear about the salvation message of Jesus Christ. And what did they get? Something new happened in hundreds of people’s lives. The Evangelistic Outreach team of LEM presented the film and ministered to 896 people and 261 people were converted. New life in Jesus is a wonderful experience. “Therefore, if any man be in Christ, he is a new creature, old things have passed away, behold all things have become new”- (I Cor. 5:17).

### Children’s Good News Club- Bible Conferences Are Held

During our last Bible Conference, 264 children attended conference and 437 additional people watched the Jesus film. Results from the Bible conference: 78 souls were ushered into the family of God. In the last two months, the Lord saved, 264 + 78 = 342 people—both children and adults.

### Dialect Training Program

LEM has extended its dialect training program along the towns bordering Liberia and Ivory Coast in the northeastern part of Liberia. The ministry now has 27 men and women in the program learning how to read and write the Bible in the “Dan” dialect. Praise the Lord! Needs: Please donate reading glasses. LEM is shipping in August and would like to send 200 pairs of glasses in different magnifications. Give your best!

### LEM Soccer Team:

LEM uses soccer as a soul winning tool. LEM’s soccer team won 1:0 in a game played with boys on another team. Most of the team members did not know Jesus as Savior. Pray for this ministry. Needs: set of shorts/socks/soccer boots- any color.

### Wheelchairs:

The 550 wheelchairs have arrived in the Free Port of Liberia. Release efforts are presently going on. Thanks for always praying and *putting a leg to your prayer* through your support. People Need the Lord!!!
